## Ales/Bitters & Lager List

### ALES

**Harveys Sussex Best - 4%:** It packs a huge flavour punch that is well above its fighting weight. Fruit loaf-sweetness & earthy, cereal malt characteristics are fused with a subtle, dry, lemongrass-bitterness to create an incredibly complex, deeply satisfying pint of bitter.

**Hogs Back TEA - 4.2%:** A pale brown malty bitter with a hoppy & slightly fruity aroma. A well crafted bitter sweet beer with a long dry finish. A classic Best Bitter.

**Long Man American Pale Ale - 4.8%:** Made using only the choicest U.S. hops this triple-hopped APA has a pleasant citrus fruit aroma & characteristic robust bitterness.

**Pilgrim Progress - 4%:** A rich malty best bitter with a Styrian hop flavour & balanced bitterness.

**Pilgrim Surrey - 3.7%:** An easy drinking but full-bodied bitter amber in colour hopped with Worcester Goldings & Bohemian Styrians.

**Pilgrim Weald Ale - 3.6%:** A well balanced pale ale with a subtle fruitiness.

**Purity Pure Gold - 3.8%:** A refreshing Golden Ale. Made with English Maris Otter Malt & East Kent & Styrian Golding Hops, creating a surprisingly smooth, easy drinking beer with subtle citrus flavours.

**Sharps Atlantic - 4.2%:** Pale in colour with a citrusy hop character, underpinned by the typical Sharp's fruity character. Refreshingly crisp, light mouthfeel - very drinkable.

**Sharps Cornish Coaster - 3.6%:** With the exhaustion of the mining industry Cornwall's fishing fleet now keeps this bold tradition of commercial seafaring alive albeit bound by fishing quota red tape. Cornish Coaster pays tribute to all those down the centuries who have bravely plied their trade around Cornwall's rugged coastline.

**Sharps Doom Bar - 4%:** A beautiful amber beer, with an aroma of juicy fruit, resinous hops & sweet malt, & a fruity taste with a great bitter/sweet balance, & a long dry finish.

**Surrey Hills Ranmore - 3.8%:** A straw-coloured extremely moreish session beer that has a surprisingly full flavour for its strength. A pleasant & distinctive aroma is followed by moderate hop bitterness. The fresh finish is shorter than Shere Drop, & leaves you wanting another.

**St. Austell Proper Job - 4.5%:** Proper Job is an authentic IPA brewed with Cornish spring water & a single malt made from Cornish grown Maris Otter Pale barley. Light, clear & refreshing with an assertive hop bitterness, it is based on a traditional IPA recipe, which makes it perfect for long, hot summer days.

**St. Austell Tribute - 4.2%:** Light, hoppy, zesty & easy drinking. The aroma is tropical fruit, & the taste malty with hints of orange & grapefruit.

**Twickenham Naked Ladies - 4.4%:** Outstanding hoppy beer using Pilgrim & Styrian Goldings for full-flavoured satisfaction. Good body & luscious aroma. Inspired by the statues of water nymphs in York House gardens in Twickenham, known locally as the "Naked Ladies".
